1. INTRODUCTION

The Oratory Schools Association is a registered charity. Our registered charity number is 309112. We take our responsibilities as a data controller seriously and we are committed to using the personal data we hold in accordance with the law.

This privacy notice provides detailed information about how we process personal data. Please read it carefully and, if you have questions regarding your personal data or its use, please contact the Bursar who is the Association's Information Security Officer (ISO) by email on bursary@oratory.co.uk, by telephone on 01491 683600; or by post at The Oratory School, Woodcote, South Oxfordshire RG8 0PJ.

2. TYPES OF PERSONAL DATA WE PROCESS

We process personal data about prospective, current and former pupils and their parents; staff, alumni and other donors and supporters.

The personal data we process takes different forms – it may be factual information, expressions of opinion, images or other recorded information which identifies or relates to a living individual. Examples include:

- names, addresses, telephone numbers, e-mail addresses and other contact details;
- family details;
- admissions, academic, disciplinary and other education related records, information about special educational needs, references, examination scripts and marks;

As a school, we need to process special category personal data (eg concerning health, ethnicity, religion or biometric data) and criminal records information about some individuals (particularly pupils and staff). We do so in accordance with applicable law (including with respect to safeguarding or employment) or by explicit consent.

3. COLLECTING, HANDLING AND SHARING PERSONAL DATA

We collect most of the personal data we process directly from the individual concerned (or in the case of pupils, from their parents). In some cases, we collect data from third parties (for example, referees, previous schools, the Disclosure and Barring Service, or professionals or authorities working with the individual) or from publicly available resources.

Personal data held by us is processed by appropriate members of staff for the purposes for which the data was provided. We take appropriate technical and organisational steps to ensure the security of personal data about individuals, including policies around use of technology and devices, and access to school systems. We do not transfer personal data outside of the European Economic Area unless we are satisfied that the personal data will be afforded an equivalent level of protection.

In the course of school business, we share personal data (including special category personal data where appropriate) with third parties such as examination boards, the school doctors, the school's professional advisors and relevant authorities (eg the Local Children Safeguarding Board, DBS, NCTL, UK Visas and Immigration, HM Revenue and Customs, Department for Education and Department for Work and Pensions). Some of our systems are provided by third

parties, such as hosted databases, school website, Schoolcomms, Capita, Parents' Evening Systems. This is always subject to contractual assurances that personal data will be kept securely and only in accordance with our specific directions.

We share personal data about Old Oratorians with the Oratory School Society (OSS). We do not otherwise share or sell personal data to other organisations for their own purposes.

6. HOW LONG WE KEEP PERSONAL DATA

We retain personal data only for a legitimate and lawful reason and only for so long as necessary or required by law. We have adopted Records Retention Guidelines which set out the time period for which different categories of data are kept. Currently we retain all pupil files beyond the stated age of 25 years from birth, given conflicting advice regarding the ongoing Independent Inquiry into Child Sexual Abuse. If you have any specific queries about our record retention periods, or wish to request that your personal data is considered for erasure, please contact the Bursar.

7. YOUR RIGHTS

You have various rights under Data Protection Law to access and understand the personal data we hold about you, and in some cases to ask for it to be erased or amended or for us to stop processing it, but subject to certain exemptions and limitations.

You always have the right to withdraw consent, where given, or otherwise object to receiving generic or fundraising communications. Please be aware however that the school may have another lawful reason to process the personal data in question even without your consent. That reason will usually have been asserted under this Privacy Notice, or may exist under some form of contract or agreement with the individual (e.g. an employment or parent contract, or because of a purchase of goods, services or membership of one of our societies).

If you would like to access or amend your personal data, or would like it to be transferred to another person or organisation, or have some other objection to how your personal data is used, please make your request in writing to the Bursar.

We will respond to any such written requests as soon as is reasonably practicable and in any event within statutory time-limits, which is one month in the case of requests for access to information. We will be better able to respond quickly to smaller, targeted requests for information. If the request is manifestly excessive or similar to previous requests, we may ask you to reconsider or charge a proportionate fee, but only where Data Protection Law allows it.

You should be aware that certain data is exempt from the right of access. This may include information which identifies other individuals, or information which is subject to legal privilege. We are also not required to disclose any pupil examination scripts (though examiners' comments may be disclosed), nor any confidential reference given by the school for the purposes of the education, training or employment of any individual.

8. PUPIL DATA

The rights under Data Protection legislation belong to the individual to whom the data relates. However, we will often rely on parental consent to process personal data relating to pupils (if consent is required) unless, given the nature of the processing in question, and the pupil's age and understanding, it is more appropriate to rely on the pupil's consent.

Parents should be aware that in such situations they may not be consulted, depending on the interests of the child, the parents' rights at law or under their contract, and all the circumstances.

In general, we will assume that pupils' consent is not required for ordinary disclosure of their personal data to their parents, e.g. for the purposes of keeping parents informed about the pupil's activities, progress and behaviour, and in the interests of the pupil's welfare, unless, in the school's opinion, there is a good reason to do otherwise.

However, where a pupil seeks to raise concerns confidentially with a member of staff and expressly withholds their agreement to their personal data being disclosed to their parents, we may be under an obligation to maintain confidentiality unless, in our opinion, there is a good reason to do otherwise; for example where the school believes disclosure will be in the best interests of the pupil or other pupils, or is required by law.

Pupils can make subject access requests for their own personal data, provided that they have sufficient maturity to understand the request they are making. Our pupils are generally assumed to have this level of maturity. A person with parental responsibility will generally be entitled to make a subject access request on behalf of pupils, but the information in question is always considered to be the child's at law. A pupil of any age may ask a parent or other representative to make a subject access request on their behalf. Moreover (if of sufficient maturity) their consent or authority may need to be sought by the parent making such a request.

9. CHANGE OF DETAILS

We try to ensure that all personal data held in relation to an individual is as up to date and accurate as possible. Please notify us of any significant changes to important information, such as contact details, held about you.

10. THIS POLICY

Our privacy notice should be read in conjunction with our other policies and terms and conditions which make reference to personal data, including our Parent Contract, our Safeguarding Policy, Health & Safety Policies, Acceptable Use Policies and ICT Policies.

THE ORATORY

SCHOOLS ASSOCIATION

We will update this Privacy Notice from time to time. Any substantial changes that affect how we process your personal data will be notified on our website and to you directly, as far as practicable.

If you believe that we have not complied with this policy or have acted otherwise than in accordance with Data Protection Law, you should notify the schools' Information Security Officer (the Bursar). You can also make a referral to or lodge a complaint with the Information Commissioner's Office (ICO), although the ICO recommends that steps are taken to resolve the matter with us before involving them.
